

About Us

Our team of museum and archives professionals plus software engineers has produced a collections management system with your needs and ease of use in mind. With [nearly 30 years in the business of collections management](#), we've created a system that is tried and true, industry standard, moving with technology as it evolves, with new features always being added.

Proficio Elements purchase comes with a free 90 minute webinar. Upgrades are included with monthly Support. Contact us for a live demo of the software: (434) 975-3256 option 3 or sales@rediscov.com.
